

Carysil Ltd — 19 Nov 2021 Credit Rating Summary

It appears the provided text is a generic template and website content from ICRA Limited, without any specific credit rating report details or financial data related to a particular company or instrument. There are no exact numbers, rating actions, financial metrics, or observations included in the text.

Could you please provide the actual rating report or the relevant excerpts containing the rating action, financial metrics, and key observations? This will help me prepare a precise summary tailored for equity investors as per your instructions.
